PAYMENT OF LARGE ENTITY STATUS FILING FEE

Dear Sir:

This fee payment corrects an inadvertent underpayment of the required filing fee for the continued prosecution application that was filed 10 December 1999.

On 15 March 1999 the Applicant notified the U. S. Patent and Trademark Office that the assignee of the entire interest of the above cited patent application had changed from small entity status to large entity status. On 10 December 1999, however, a Continued Prosecution Application was filed and was accompanied by a \$452.00 small entity status filing fee. The proper application filing fee should have been \$904.00, which is the large entity status fee. This application filing fee underpayment was inadvertent and made with no deceptive intent.

Please charge \$452.00 to Deposit Account No. 19-2386 to make up the difference between the large and small entity status filing fees for the Continued Prosecution Application
